

Parallels  
Loungecouch

Parallels transports you into the fascinating world of relaxation. The conically tapering armrests and comfortable cushions adapt themselves harmoniously to the seated person's physique. Longer waiting times are turned gently and softly into true oases of well-being. Whether as a single armchair, a multi-seater, or corner solution with linear skid base and excellent fire protection properties, Parallels always remains steadfastly at your side.

Article no.: C4055

#### Benefits:

The large variety of fabrics and colours makes an exciting mix of materials with which you can develop your individuality and realize design concepts.

Good fire protection properties ensure that all requirements of low flammability are fulfilled. The certification according to DIN 66084 P-a will guarantee a high level of security.

The option to create corner solutions with the adjusting elements, expands the possibilities and offers many solutions.

#### Technical Details:

- Self-supporting structure made of solid wood and wood materials
